15 Total Hours of COPE credit

Speaker: John McGreal, O.D.

Attendance:

- Attendees must sign in every morning and pick up a Program Evaluation form
- Program Evaluation forms must be completed and turned in at the conclusion of the day.
- Late arrivals and/or early departures will be notated on the sign in form by the monitor. Credit will only be issued for time spent in class.
- COPE does not allow partial hour credit; attendees must be present for the entire lecture in order to receive credit. Certificates of completion will reflect actual hours attended.

Reporting Procedures:

- International Eye is serving as the COPE Administrator. International Eye will:
 - o Report all hours attended directly to the ARBO OE Tracker System within 10 business days.
 - o Provide an attendance verification letter to each participant via email within 10 business days.
- All other state/province participants are responsible for submitting hours to their state licensing board.

General Information:

- Complete the Program Evaluation form provided to you at the sign in table and return it when you leave for the day.
- Please silence cellphones during announcement and lectures.
